Johnny

Kevin Blechdom

Hello, my name is Johnny
Well, hello, my name is Johnny
I like exploit myself
And I like to complain in vein
Sweet little boy
Johnny
Sweet little boy
Johnny
Let me show you the way to my
Let me show you the way to my
Let me help you explain your mind
When I help you explain your mind
'Ello my name is Roger
Well, hello, my name is Roger
I like to proclaim myself
A God and likely ordain myself
Sweet little boy
Roger
Sweet little boy
Roger
Let me show you the way to my
Let me show you the way to my
Let me help you explain your mind
When I help you explain your mind
Let me show you the way to my
Let me show you the way to my
Let me help you explain your mind
When I help you explain your mind
Sweet little boy
Johnny
Sweet little boy
Oh, no, it's Roger
Let me show you the way to my
Let me show you the way to my
Let me help you explain your mind
When I help you explain your mind
Let me show you the way to my
Let me show you the way to my
Let me help you explain your mind

When I help you explain your mind
