

That Was A River

[Collin Raye](#)

I've seen that look before
Here comes that doubt again
You think that girl we saw
Was more than just a friend
Yes, there was a time
I thought she had it all
She meant the world to me
Back when the world was small
That was a river, this is the ocean
That never carried this much emotion
Nothing compares to this deep devotion
That was a river, this is the ocean
The love we've had before
Can never change this one
We're not imprisoned by
The past we've brought along
It's just you and me
One ship in the night
There are no boundaries
There is no wind in sight
That was a river, this is the ocean
That never carried this much emotion
Nothing compares to this deep devotion
That was a river, this is the ocean
Nothing compares to this deep devotion
That was a river, this is the ocean
That was a river, this is the ocean
