

Hell of a Life

T.I.

Beamers, Bentleys, double R's, Ferraris every time I seen

Shorty, where you're headed tonight?

(Hey, where you headed shorty?)

Sellin' out arenas, chicks with asses like Serena

Man, shorty live a hell of a life Hell of a life

(I'm tryin' to tell you shorty)

Man, shorty live a hell of a life

(This is how I live, real talk, true story)

I ain't tellin' no lies

Man, shorty live a hell of a life

(I'm tryin' to tell you shorty, this is how I live, real talk, true story) You know shorty goin' extra hard when they
release his passport

Why I need a credit card? What you think this cash for?

Hit the dealership and give them every dime he ask for

Just so I can see 260 on the dashboard If shinin' against the law, somebody better get the task force

Funny, ho's love me, let me fuck 'em 'til they ass hoarse

Pimpin' 101, just come and see me, take a crash course

You wanna count my money? Go to college, need a math course On a mad dash for 100 milli runnin'

Breakneck speed 'til I see a billi comin'

I'm built to reach a hundred, feel the grumblin' in my stomach

I'm still stuntin' off the chain, chasin' nothin' for some money With a couple of pair of queens like I'm playin'
gin rummy

No cards, just broads when a nigga dick hard

Flooded offshore, automall lookin' like a car star

Put it in a wristwatch, ballin' like a big shot Beamers, Bentleys, double R's, Ferraris every time I seen

Shorty, where you're headed tonight?

(Hey, where you headed shorty?)

Sellin' out arenas, chicks with asses like Serena

Man, shorty live a hell of a life Hell of a life

(I'm tryin' to tell you shorty)

Man, shorty live a hell of a life

(This is how I live, real talk, true story)

I ain't tellin' no lies

Man, shorty live a hell of a life

(I'm tryin' to tell you shorty, this is how I live, real talk, true story) Swag on fully, no semi ho, hemi

Bankrolls, no gimmicks, drop Rolls, no Emmys

Street cred, no blemish, credit card, no limit

You want Bankhead a spot to drop heads, I'm in it Been it, a couple of corners hoppin' on 20

With 3 or 4 women givin' love like tennis

All my boxes with the chinese, givin' me the business
While I'mma ride through the city, gag, swallow, no spittin'
Livin' life like I just got out of prison Wednesday
night
If your chick is in my sight, then that chick is gettin' right
Hey, I know niggas now with bitches think I'm hittin' and they right
They keep my name out my mouth and mind they business, it's aight
They aight if you see me say aight, okay,
aight
'Cause you know I got the goons with me and I pay aight
If they would like to see me go back to prison, see me go
But instead they see me ballin', stuntin' everywhere we go,
go Beamers, Bentleys, double R's, Ferraris every
time I seen
Shorty, where you're headed tonight?
(Hey, where you headed shorty?)
Sellin' out arenas, chicks with asses like Serena
Man, shorty live a hell of a life
Hell of a life
(I'm tryin' to tell you shorty)
Man, shorty live a hell of a life
(This is how I live, real talk, true story)
I ain't tellin' no lies
Man, shorty live a hell of a life
(I'm tryin' to tell you shorty, this is how I live, real talk, true story)
Mind your own phone, pockets so swoll'
Rubber band keep poppin' off my bankroll
I ain't tellin' no lies
Man, shorty live a hell of a life
(This is how I live, real talk, true story)
Brand new cars for my brand new chicks
A hundred bands right fixing to see a man
I ain't tellin' no lies
Man, shorty live a hell of a life
(This is how I live, real talk, true story)
Beamers, Bentleys, double R's, Ferraris every time I seen
Shorty, where you're headed tonight?
(Hey, where you headed shorty?)
Sellin' out arenas, chicks with asses like Serena
Man, shorty live a hell of a life
Hell of a life
(I'm tryin' to tell you shorty)
Shorty live a hell of a life
(This is how I live, real talk, true story)
I ain't tellin' no lies
Man, shorty live a hell of a life
(I'm tryin' to tell you shorty, this is how I live, real talk, true story)
