Somebody

Kenny Howes

Can you see me?
'Cause I'm right here
Can you listen
'Cause I've been tryin' to make you notice
What would it mean to me
To feel like somebody
We've been on our way to nowhere
tryin' so hard to get there
and I say
Oh, We're gonna let it show
We're gonna just let go of everything
Holdin' Back our dreams
And try to make it come alive
C'mon let it shine so they can see
We were meant to be
Somebody
somebody else
Some How
Some Day
Some Way
Somebody
I'm so tired
of bein' invisible
But I feel it, yeah
Like a fire below the surface
Tryin' to set me free
Burnin' inside of me
'Cause we're standin' on the edge now
It's a long way down

But I say
Oh, We're gonna let it show
We're gonna just let go of everything
Holdin' back our dreams
And try to make it come alive
C'mon let it shine so they can see
We were meant to be
Somebody
Somebody else

Some how
Some Day
Some Way
Somebody
We will walk out of this darkness
Feel a spotlight glownin' like a yellow sun
And when we fall, we'll fall together
'Til we get back up and we will rise as one
Oh, We're gonna let it show
We're gonne just let go of everything
Holdin' back our dreams
And try to make it come alive
C'mon let it shine so they can see
We were meant to be
Somebody
Somebody else
Some How
Some Day
Some Way
Somebody
