

I Don't Mind

Immature

Anything you wanna do
Oh yeah, oh yeah
Go on, go on Anything you want, my baby
Don't you know you drive me crazy
So fine, you're so fine
I don't mind
Girl, I'll walk you home from school
Be your undercover fool
So fine, you're so fine
I don't mind You can have anything
You took my heart and plus a ring
I just wanna see you smile
I think about you all the time
One kiss will blow my mind
Baby, you're so damn fine I don't mind
What your friends say about me, girl
I don't mind
You can do anything you wanna do
I don't mind
My girl, my girl
I don't mind
You're so incredible
I don't care, baby
You can do Anything you want, my baby
Don't you know you drive me crazy
So fine, you're so fine
I don't mind
Girl, I'll walk you home from school
Be your undercover fool
So fine, you're so fine
I don't mind People wonder why I
Do the things that I
Things that I do for you
They don't know baby I
Really like the way
The way that you make me feel
That's why I don't mind
If you're on the phone at night
I don't mind

Soon I'll be holding you real tight, real tight
I don't mind
My girl, my girl
I don't mind
You're so incredible
I don't care, baby
You can do Anything you want, my baby
Don't you know you drive me crazy
So fine, you're so fine
I don't mind
Girl, I'll walk you home from school
Be your undercover fool
So fine, you're so fine
I don't mind Come on, baby
Hoo yeah
Ohh yeah
Girl, I'll walk you home from school
Be your undercover fool
So fine, you're so fine
I don't mind
Anything you want, my baby
I don't mind
I don't mind
Anything you want, my baby
Anything, anything
I don't mind
