

# Cool Blue Reason

## Cake

Cool blue reason  
Empties on the page  
Your colleagues are in prison  
And your enemies enraged  
Cool blue reason  
Comes into your world  
There's two more dead in Texas  
And it's probably your girls  
Cool blue reason  
Wraps around your throat  
The minutes change like seasons  
Only eight more hours to go  
Only eight more hours to go  
Only eight more hours, left to go  
Cool blue reason  
Comes into your life  
There's one more dead in Kansas  
And it's probably your wife  
Cool blue reason  
I'm just talking to myself  
Cool blue reason

I'm just re-arranging hell  
I'm just talking to myself  
I'm just talking  
To myself  
Ohh no  
Are we?  
Oh, ooh  
Cool blue reason  
Wraps around your throat  
The minutes change like seasons  
Only eight more hours to go  
Only eight more hours to go  
Only eight more hours  
Left to go  
Ohh no  
Hey, hey  
Ohh,

Alright  
Ohh no  
Hey  
Hey  
Hey
