

You're the Inspiration

Stevie Brock

You know our love was meant to be
The kind of love that lasts forever
And I want you here with me
From tonight until the end of time
You should know
Everywhere I go
You're always on my mind
In my heart in my soul baby You're the meaning in my life
You're the inspiration
You bring feeling to my life
You're the inspiration
I want to have you near me
I want to have you hear me saying
No one needs you more than I need you And I know
Yes I know
That it's plain to see
So in love when we're together
Now I know (now I know)
That I need you here with me
From tonight until the end of time
You should know everywhere I go
You're always on my mind
In my heart in my soul You're the meaning in my life
You're the inspiration
You bring feeling to my life
You're the inspiration
I want to have you near me
I want to have you hear me saying
No one needs you more than I need you (no one needs you more than I) I want to have you near me
I want to have you hear me saying
No one needs you more than I need you (no one needs you more) You're the meaning in my life
You're the inspiration
You bring feeling to my life
You're the inspiration When you love somebody till the end of time
When you love somebody always on my mind
No one needs you more than I
When you love somebody till the end of time
When you love somebody always on my mind
