Ball like drizzell hey bitch, you gotta learn to
Nigga say they underground, I'ma send my worms through
I know where dey live at, I know where dey kill at
I know where dey deal at and I know where da pills at
24 5 whole thang dat's fo' real black
Ain't no short numbers for all you'll short comers
Man, da trap off da chain cause we beatin' like drummers
You ball for two days, we ball da whole summer
I came back flippin' bricks, bitch I do numbers
Gangsta, gangsta, all you get is drama nigga
Gangsta, soldier, fruity fruit rolled up
Young Dro, yeah, but all goddamn grown up
10 a ki now, got da whole block sewed up
E'erybody smokin? me, cush nigga roll up
Gangsta, soldier, fruity fruit rolled up
Young Dro, yeah, but all goddamn grown up
10 a ki now, got da whole block sewed up
E'erybody smokin? me, cush nigga roll up
Who am I? Young Dro, all supreme, I'm a lotta shit

I buy a lotta bricks to ride in my Impala wit
Columbine shawty shit, my car look like a oreo
Brown paint, white guts, the money and corey-o
Son of da Holy Ghost, tryin' me find me
Shoot a nigga in da back of da I wit da 9E
Niggas can?t define me, I trigga from da mouth you
Black belt ninja shit, I'm flippin' off yo house too
Killa Dro I'm out to, Benz, sauerkraut coupe
C4 by da pounds, I'll make a nigga house move
I know all about you, you full off of mouth full
I can eat a city and a state and drink the whole lake
Now I ride wit Orea 88RK
Big bank specialist 28RK
Put them up with M-650's and that?s a rip through
Bitch, ain?t sure right Dro, why the fuck you sniffin' me?
Gangsta, soldier, fruity fruit rolled up
Young Dro, yeah, but all goddamn grown up
10 a ki now, got da whole block sewed up
E'erybody smokin? me, cush nigga roll up
Gangsta, soldier, fruity fruit rolled up
Young Dro, yeah, but all goddamn grown up
10 a ki now, got da whole block sewed up
E'erybody smokin? me, cush nigga roll up
Ride wit me shawty, while I let that shoulder lean free
Play white people like me, I'm on MTV with Green Day
Green ice, green K, tackles like the green bay
King nigga, put my birthday on Martin Luther King Day
Yeah, I got charged but I'm whippin' out a stingray
Because I was overseas swimmin? 'round stingrays
Rollin' off a bean, ok might be lookin' mean, ok
I ain't really mad I'm just grindin' on my teeth ok
Chevy paint tropical "Owee, moway, owe, moway"
Got 'em callin? Fema ?cause the chopper on Katrina spray
My connect is so sweet, take a watch on either day
I'm hard I don't need to play with grams and it?s 3 today
Ya'll sell chickens, me and Chondo got that eagle, yeah
I'ma be a soldier, man and I?ma keep it cheater day
26CC well painted, hover ?round with me today
Punk cushin, red asses all for me to see today
Gangsta, soldier, fruity fruit rolled up
Young Dro, yeah, but all goddamn grown up
10 a ki now, got da whole block sewed up
E'erybody smokin? me, cush nigga roll up
Gangsta, soldier, fruity fruit rolled up
Young Dro, yeah, but all goddamn grown up

10 a ki now, got da whole block sewed up
E'erybody smokin? me, cush nigga roll up
Gangsta shit
Gangsta, gangsta, gangsta
Gangsta shit
Gangsta, gangsta, gangsta
