

Going to Pasalacqua

Green Day

Here we go again, infatuation touches me
Just when I thought that it would end
Oh, but then again it seems much more than that but
I'm not sure exactly what you're thinking Well, I toss and turn all night
Thinking of your ways of affection
But to find that it's not different at all
Well, I throw away my past mistakes and contemplate my future
That's when I say: "What the hey!" Would I last forever?
You and I together, hand and hand
We run away, far away
I'm in for a nasty weather
But I'll take whatever you can
ever comes my way, yeah, far away Here we go again, infatuation touches me
Just when I thought that it would end.....
Oh, but then again it seems much more than that but
I'm not sure exactly what you're thinking Well, I toss and turn all night
Thinking of your ways of affection
But to find that it's not different at all
Well, I throw away my past mistakes and contemplate my future
That's when I say: "What the hey!" Would I last forever?
You and I together, hand and hand
We run away, far away
I'm in for nasty weather
But I'll take whatever you can ever
comes my way, yeah, far away Well, I toss and turn all night
Thinking of your ways of affection
But to find that it's not different at all
Well, I throw away my past mistakes and contemplate my future
That's when I say: "What the hey!" Would I last forever?
You and I together, hand and hand
We run away, far away
I'm in for nasty weather
But I'll take whatever you can ever
comes my way, yeah, far away, far away
