Love Junkie

Angie Stone

I don't know why I do this
But it feels so good
It's all about the stone
Stone cold, check it
[Incomprehensible]Stone, check it out
Love junkie, so damn funky
Stone cold monkey, I can't get off my back
Love junkie, so damn funky
Stone cold monkey, hard to shake off my jack
Love junkie, so damn funky
Stone cold monkey, I can't get off my back
Love junkie, stone cold monkey, here we go
I don't know what to do
When I get up on you, yeah
I get a natural high
One look in your eye, yeah
I think you better chill
Lovin' you makes me ill
So baby, proceed with me
'Cuz you got me weak in my knees
Love junkie, so damn funky
Stone cold monkey, I can't get off my back
Love junkie, so damn funky
Stone cold monkey, hard to shake off my jack
Love junkie, so damn funky
Stone cold monkey, I can't get off my back
Love junkie, stone cold monkey, yeah
Hey, you can't let go
'Cuz you make me scream for more
You measure up inside
You're over qualified, babe
Sweetest morning dew, hey
Can't wait to come next to you
Damn, I just saw in your head
Something I just don't wanna miss, oh
Love junkie, so damn funky
Stone cold monkey, I can't get off my back
Love junkie, so damn funky
Stone cold monkey, hard to shake off my jack

Love junkie, so damn funky
Stone cold monkey, I can't get off my back
Love junkie, stone cold monkey
I get high, high, high, so high
I get high, high, high, so high
I get high, high, high, so high
I get high, high, high, 'cuz I'm a
Love junkie, so damn funky
Stone cold monkey, I can't get off my back
Love junkie, so damn funky
Stone cold monkey, hard to shake off my jack
Love junkie, so damn funky
Stone cold monkey, I can't get off my back
Love junkie, stone cold monkey
Love junkie, so damn funky
Stone cold monkey, I can't get off my back
Love junkie, so damn funky
Stone cold monkey, hard to shake off my jack
Love junkie, so damn funky
