Your cute when you scream

Senses Fail

Fuck with
My heart
I'll teach you what it's likeTo be
So used
That you have to cleanThe dirt
Stuck in
Your plastic finger nailsAnd just the scent of you is enough
To make me sickAnd all I know is
Revenge is sweet whenYou know that you are worthless
And I am better than
The games that you play princess
I've played and always winI'll take
My time
To slowly plot your endBut now
I will
Spit bullets with my penAnd all I know is
You're cute when you screamI'll take you to the top
Of this building and just push you off
Run down the stairs so I can see
Your face as you hit the street
