

# How Will I Know

## Whitney Houston

There's a boy I know  
He's the one I dream of  
Looks into my eyes  
Takes me to the clouds aboveOoh, I lose control  
Can't seem to get enough  
When I wake from dreaming  
Tell me is it really loveHoo, how will I know?  
(Don't trust your feelings)  
How will I know?How will I know?  
(Love can be deceiving)  
How will I know?How will I know if he really loves me  
I say a prayer with every heart beat  
I fall in love whenever we meet  
I'm asking you what you know about these thingsHow will I know if he's thinking of me  
I try to phone but I'm too shy  
(Can't speak)  
Falling in love is all bitter sweet  
This love is strong why do I feel weakOh, wake me, I'm shaking  
Wish I had you near me now  
Said there's no mistaking  
What I feel is really loveOoh how will I know?  
(Don't trust your feelings)  
How will I know?How will I know?  
(Love can be deceiving)  
How will I know?How will I know if he really loves me  
I say a prayer with every heart beat  
I fall in love whenever we meet  
I'm asking you what you know about these thingsHow will I know if he's thinking of me  
I try to phone but I'm too shy  
(Can't speak)  
Falling in love is all bitter sweet  
This love is strong why do I feel weakIf he loves me, if he loves me not  
If he loves me, if he loves me not  
If he loves me, if he loves me not, ohHow will I know?  
How will I know?  
How will I know?  
How will I know?How will I know if he really loves me?  
I say a prayer with every heart beat  
I fall in love whenever we meet

I'm asking you 'cause you know about these thingsHow will I know if he's thinking of me?

I try to phone but I'm too shy

(Can't speak)

Falling in love is all bitter sweet

This love is strong why do I feel weakHow will I know?

(How will I know?)

How will I know?

How will I know?(I say a prayer)

How will I know?

How will I know?

(I'll fall in love)

How will I know?
