Clear Blue Water

Letters to Cleo

Cast OUT on clear blue water
Saw nothing out there at all at all
Picture a scene across to the other side
Saw nothing out there at allPack up some scant posessions
For this trip you'll take to find
what's right in front of you
So you'll need some help on well goodluck
good byeTake a look around you can't you see
walls are closing in
"I can't breathe" you saySo it goes. So far like taking flight
Near perfect, it feels like
Spoon fed, It's like bliss.
It's waning in and out and it
takes the air out like a centrifuge
