

# Goodbye to Goodbye

## Master's Voice

I'm moving one day to a perfect place  
Where pain can't follow me  
When I arrive home with loved ones around the throne  
What a happy reunion that will beI'm gonna say goodbye to goodbye  
When I reach the other side  
In that land where no tears will fill our eyes  
Nothing here can compare  
To the joy I'll have up there  
When I say goodbye to goodbyeBeyond heaven's door death will live no more  
Grief can't approach its gates  
No hurts can touch me in that City  
I can't wait to see my Savior's faceOh, how my heart will swell  
When I bid farewell  
Oh, how my heart will swell  
When I bid farewell to farewell
