

# Funtime

## Iggy Pop

Fun  
Hey baby, we like your lips  
Fun  
Hey baby, we like your pants  
All aboard for funtimeFun  
Hey, I feel lucky tonight  
Fun  
I'm gonna get stoned and run around  
All aboard for funtimeFun  
Last night, I was down in the lab  
Fun  
Talkin' to Dracula and his crew  
All aboard for funtimeFun  
I don't need no heavy trips  
Fun  
I just do what I want to do  
All aboard for funtimeFun  
Baby baby, we like your lips  
Fun  
Baby baby, we like your pants  
All aboard for funtimeFun  
Everybody we want in  
Fun  
We want some, we want some  
All aboard for funtimeFun  
Baby baby, we like your lips  
Fun  
Baby baby, we like your pants  
All aboard for funtime
