

Greenwich Mean Time

[Charlotte Gainsbourg](#)

Crooked man down a crooked mile
Crooked backbone, crossed out smile
Crooked cat, crooked mouse
We live together in a crooked little house
We're all fine, we're all fine
We fit together like worms on a line
We're so good, we're so nice
We stick together like dirty horse flies
Crooked eyes, crooked tooth
Crooked mind bending back the truth

A crooked road on a crooked town
Looking down at the crumbs on the ground
We're all fine, we're all fine
We fit together like nickles on a dime
We're so good, we're so nice
We talk the mumbo jumbo Greenwich Mean Time
We're all fine, we're all fine
We fit together like nickles on a dime
We're so good, we're so nice
We talk the mumbo jumbo Greenwich Mean Time
