

# Johnny And Mary

## Status Quo

Johnny's always running around trying to find certainty  
He needs all the world to confirm that he ain't lonely  
Mary counts the walls  
Knows he tires easily Johnny thinks the world would be right if it would buy truth for him  
Mary says he changes his mind more than a woman  
But she made her bed  
Even when the chance was slim Johnny says he's willing to learn when he decides he's a fool  
Johnny says he'll live anywhere when he has time to  
Mary combs her hair  
Says he should be used to it Mary always hedges her bets, she never knows what to think  
She says he's still acting like he's being discovered  
Scared that he'll be caught  
Without a second thought Johnny feels he's wasting his breath trying to talk sense to her  
Mary says he's lacking a real sense of proportion  
So she combs her hair  
Knows he tires easily Johnny's always running around trying to find certainty  
He needs all the world to confirm that he ain't lonely  
Mary counts the walls  
Says he should be used to it
