Ashley

The Dodos

Take my hand and lead me out
To Dolores
And leave me out in the street, I guess
It was for usWhat are you thinking of, Ashley?
Who are you dreaming of, Ashley?
You come down from above, AshleyYou let me sleep and let me breathe
Where I need to
And fool my heart to think that I
Might have had youWhat are you thinking of, Ashley?
Who are you dreaming of, Ashley?
You come down from above, AshleyTake this hammer-handed heart
And pull it off my back
Heavy on my shoulders
Stranded in the open sea
I wait there hoping that
You'll come back to see meAshley...
