Ashley

The Dodos

Take my hand and lead me out
To Dolores

And leave me out in the street, I guess It was for usWhat are you thinking of, Ashley?

Who are you dreaming of, Ashley?

You come down from above, AshleyYou let me sleep and let me breathe Where I need to

And fool my heart to think that I

Might have had youWhat are you thinking of, Ashley?

Who are you dreaming of, Ashley?

You come down from above, AshleyTake this hammer-handed heart

And pull it off my back

Heavy on my shoulders

Stranded in the open sea

I wait there hoping that

You'll come back to see meAshley...
