

God Don't Make Lonely Girls

The Wallflowers

Senorita, looks like you
Ain't done nothing
Good women ain't supposed to do
Oh no no no no
I seen her downtown, 'bout an hour ago
Behind the glass at a peep show
I got nervous 'cause I don't know
Can she see me behind that window?
It's almost nine and I'm back in line
I can't get the girl
With the Spanish tears out of my mind
I've got to make her mine, all mine
But somethin' is wrong, she don't belong
She oughta be back where she's from
Maybe back home is Mexico City
Man, I don't know her, but she sure is pretty
But God, don't make lonely girls
He sure didn't want 'em in His world
But God, don't make lonely girls
Yeah, yeah, doo doo doo doo
Now when I make that girl all mine
I'm gonna stand by her
Once I get inside of her barbed wire
Once I get inside
I bet she'd look good in a brand new dress
She never felt good in her fish net
She's got to be this town's best mess
But it ain't nothin' that her face would suggest
But God, don't make lonely girls
He sure didn't want 'em in His world
But God, don't make lonely girls
Yeah, yeah, doo doo doo doo
I gotta make her see
I'm a guarantee
Oh, if she'd only come along with me
Well, I can make her see
Gonna take a walk right through these walls
'Cause she's comin' home with me
I ain't even gonna touch her at all

Man, I'm only gonna lay awake and watch her sleep
But God, don't make lonely girls
He sure didn't want 'em in His world
I know God, don't make lonely girls
Yeah, yeah, doo doo doo doo
