

Paralyzing Kings

10 Years

The death of a king
Alluring lassos slide on so smooth
Tissue made of razors dragging across you
The flushing of eyes couldn't cleanse your abrasions
Deep inside consumed with guilt
I'm clothed in a bed of blankouts
Dream suspicious strangers over night
Righteous Pharisees befriending
Silent movements mar re-injuring God
The taste of absent minded actions outweigh forgiveness
Briding a widow in spite of her venom
I've failed to mention your soul
Three becoming two, such a left in criminal
Only the mind of the temptress knows
Actions are my remorse for amnesia
Righteous Pharisees befriending
Silent movements mar re-injuring God
The taste of absent minded actions outweigh forgiveness
So close to healing the weak
Turning into the enemy paralyzing kings
We are so self righteous pharisees befriending
Silent movements mar re-injuring God
The taste of absent minded actions outweigh forgiveness
