

# Diamond Days

## Kids in Glass Houses

I feel your body shaking  
Lying next to mine  
Could be the devil talking  
Could be the holy wine  
Says we can do whatever  
Says we can lead the blind  
Cause the closest to alive youll feel this side of death  
Is knowing that you tried  
Were screaming at the moon together  
And tonight were gonna live forever  
Cause the diamond days  
Fade away  
And were gonna run away  
Tonight were gonna live forever  
I hear the darkness calling  
On the edge of town  
Wed better go on walking  
If the car breaks down  
We go down together  
Cause what is yours is mine  
The closest to alive well feel this side of death  
Is knowing that we tried  
Were screaming at the moon together  
And tonight were gonna live forever  
Cause the diamond days  
Fade away  
And were gonna run away  
Tonight were gonna live forever
