Rushing Wind

Keith Green

Rushing wind blow through this temple
Blowing out the dust within
Come and breathe your breath upon me
I've been born againHoly Spirit, I surrender
Take me where you want to go
Plant me by your living waters
Plant me deep so I can growJesus, you're the one, who'll set my spirit free
Use me Lord, glorify, your Holy Name through meSeparate me from this world Lord
Sanctify my life for you
Daily change me to your image
Help me bear good fruitEvery day you're drawing closer
Trials come to test my faith
But when all is said and done Lord
You know, it's been worth the waitJesus, you're the one, who'll set my spirit free
Use me Lord, glorify, your Holy Name through meRushing wind blow through this temple
Blowing out the dust within
Come and breathe your breath upon me
For I've been born again
