Last To Know

The Brand New Heavies

Do you have a minute
I've got something on my mind
I'm gonna make it clear now
Let me lay it on the lineYou're giving me the runaround
It's honesty you lack
The time has come to hear me out
And recognize the factYou should know by now
My Mama didn't raise no fools
If half of what I'm hearing's true
You're breaking all the rules
Tell me, tell me is it really so
I don't wanna be the last to knowTalk me don't waste my time
Tell me if you're really mine
Broken dreams and promises
Think of all the love you'll missJust the other night
I overheard you on the phone
Whispering sweet nothings
Guess you thought you were aloneWell, you might think that I am blind
But hear me when I say
I can see right through you
And your double talkin' waysYou should know by now
My Mama didn't raise no fools
If half of what I'm hearing's true
You're breaking all the rules
Tell me, tell me is it really so
I don't wanna be the last to knowTalk me don't waste my time
Tell me if you're really mine
Broken dreams and promises
Think of all the love you'll missLonely days and lonely nights
Is it truth or is it lies
Listen to these words I say
Love's a heavy price to payAfter all that we've been through
I can't believe you'd be untrue
Still you're telling me our love will grow
Well, you better let it showYou should know by now
My Mama didn't raise no fools
If half of what I'm hearing's true
You're breaking all the rules
Tell me, tell me is it really so

I don't wanna be the last to knowTalk to me don't waste my time
Tell me if you're really mine
Broken dreams and promises
Think of all the love you'll missLonely days and lonely nights
Is it truth or is it lies
Listen to these words I say
Love's a heavy price to payTalk to me don't waste my time
Tell me if you're really mine
Broken dreams and promises
Think of all the love you'll missLonely days and lonely nights
Is it truth or is it lies
Listen to these words I say
Love's a heavy price to payTalk to me don't waste my time
Tell me if you're really mine
Broken dreams and promises
Think of all the love you'll missLonely days and lonely nights
Is it truth or is it lies
Listen to these words I say
Love's a heavy price to payTalk to me don't waste my time
Tell me if you're really mine
Broken dreams and promises
Think of all the love you'll missLonely days and lonely nights
Is it truth or is it lies
Listen to these words I say
Love's a heavy price to pay
