I See Monsters (Live In Amsterdam)

Ryan Adams

I know you cannot hear me now
'Cause you're fast asleep, but I love you know
Colors inside your head go spinning around
Like a Ferris wheel
Exploding and falling to the ground
Oh, people are screaming, people are screaming
My baby, she's dreaming
Oh, people are shouting, people are freaking
When she comes
I know that she's the one
Makes me want it harder
Makes me want to be a little stronger
Still I see monsters
Still I see monstersI know you cannot hear me now
'Cause you're far away at the speed of sound
Colors inside your head go spinning 'round
Like a ferris wheel
Exploding and falling to the ground
Oh, people are screaming, people are screaming
My baby she's dreaming
Oh, people are shouting, people are freaking
I'm staring at the ceiling waiting for the feeling
Makes me want it harder, makes me want to be a little stronger
Still I see monsters
Still I see monsters
