Colorful

íƒœì—°

The show is over close the story book
There will be no encore
And all the random hands that I have shook
Well they're reaching for the door
I watch their backs as they leave single file
But you stood stubborn, cheering all the while

I know I can be colorful
I know I can be gray
But I know this loser?s living fortunate
'Cause I know you will love me either way

Most were being good for goodness sake
But you wouldn't pantomime
You are more beautiful when you awake
Than most are in a lifetime
Through the haze that is my memory well
You stayed for drama though you paid for a comedy

I know I can be colorful
I know I can be gray
But I know this loser?s living fortunate
Cause I know you will love me either way

Look ahead as far as you can see
We?ll live in drama but we?ll die in a comedy
I know I can be colorful...
