

# The Way I Wanna Go

## Sentenced

I know of a heaven, and damn sure  
I know of a Hell  
If you could take a look into this fighter's mind  
The things you'd see  
What would you think? How would you feel?  
If you could really know me  
Can you see this Hell I feel inside?  
A tragedy, a tragedy in a human mind  
That's what I am!  
So turn away, turn away and go  
Turn away while you still can  
Turn away  
The way I'm gonna go is not the way you want to go  
This reign that I have built myself, over the years  
Will crumble down on me.  
Life's double-edged sword gives both pleasure and pain  
And it's my cross to be carried  
Can you see this chaos-ridden mind?  
This tragedy, this tragedy of a human mind  
That's how I am!  
"It might seem to you that we are the same. But that's just a part of the  
illusion of life. There's no perfection in this world, and in the end  
we're but two strangers sailing our personal seas of sorrow..."  
I've been to heaven, and let me tell you  
I've been down there  
So turn away, turn away and go  
Turn away while you still can  
Turn away,  
The way I wanna go is not the way you want to go!  
Turn away, turn away  
This is the way I wanna go
