

# Jesus Lay Down Beside Me

Mavis Staples

Jesus, lay down beside me  
Lay down and rest  
Your troubled mind  
Jesus, lay down beside me  
Lay down your worries  
All behind  
Well you wept  
A million  
Tears Lord  
For the Truth  
Has fallen  
On deaf ears Lord  
But don't despair  
I am prepared  
Are you in need?  
Jesus lay down beside me  
Down at the dark end  
Of the day  
Jesus lay down beside me  
Let all your sorrows  
Fall away  
When the night  
Has grown  
So dark  
Lord  
And the flowers  
Of your love  
Lord  
Sweet Lord  
Refuse to see  
In a world full of greed  
Are you in need?  
Are you?  
When the night  
Has grown  
So dark  
My Lord  
And the flowers  
The flowers

Of your love  
Lord  
Refuse to grow  
Lord let me know  
(Are you in need?)  
Are you in need?  
(Are you in need?)  
Woo are you in need?

Hey  
Lord let me know  
Are you in need?  
Are you in need?  
Are you in need?  
Are you in need?

Oh Lord  
Don't despair  
Jesus  
Are you in need?  
Are you in need?  
Are you in need?  
Are you?  
Are you?  
Are you in need?
