

Formula 409

Electric Six

You can clean your kitchen baby
Make it look good every time
You can use a little Mr Clean
or Formula 409 You can find my mission baby
lock it on target every time
Take out Washington or New York
Or you can take out Palestine You can drive your car to pieces baby
Drive it until somebody dies
Get out of trouble with a cover-up
A greasy lawyer and some lies You can clean your kitchen baby
Make it look good every time
You can use a little Mr Clean
or Formula 409 Formula 409
Formula 409
Formula 409
Formula 409
Formula 409
Yeah Formula 409
Formula 409
Oh Formula 409
Formula 409
409 You can clean your kitchen baby
You can clean your kitchen baby
You can clean your kitchen baby
You can clean your kitchen baby
You can clean your kitchen baby
You can clean your kitchen baby
You can clean your kitchen baby
You can clean your kitchen baby
AAAAAHHHH
