

All the Rain

[Charlotte Gainsbourg](#)

If God don't make mistakes
Pulling the weeds from the ground
As they're growing up
And over the streets of the city And I can't play it straight
'Cause I don't know if it matters
You try to stay calm
As they bring your head on a ...All the rain
All the rain
Cover me now
All the rain
All the rain
Cover me now...
Pushing against the world
What you hope to gain
Is the same as what you're losing Like a parasite
Living off somebody's life
All you take from someone else
Give yourself away All the rain
All the rain
Cover me now
All the rain
All the rain
Cover me now All the rain
All the rain
Cover me now
All the rain
All the rain
Cover me now
