Warrior

Wishbone Ash

I'm leavin' to search for something new
Leavin' everything I ever knew
A hundred years in the sunshine
Hasn't taught me all there is to knowA valley, we will gather there
Helpless in our surrender

Tomorrow the plow becomes the sword

Make us stronger in our dangerTime will pass away, time will guard our secret

I'll return again, to fight another dayI'll have to be a warrior

A slave I couldn't be
A soldier and a conqueror
Fighting to be freeI'll have to be a warrior
A slave I couldn't be

A soldier and a conqueror

Fighting to be freeI'll have to be a warrior

A slave I couldn't be

A soldier and a conqueror

Fighting to be freeI'll have to be a warrior

A slave I couldn't be A soldier and a conqueror Fighting to be free
