Chevrolet DJ

Cole Swindell

The volume knob
It's a little tricky
Sometimes, it gets a little sticky
From your lip gloss
I'd like to rub off
You're pretty pink painted finger tips
1 and 2 are preset to country
3 and 4, well, that gets it bumpin'
We got some Willie
We got some Nelly
Find you one you like, girl
And give it a spin
And play it againWith your ray ban sunglasses
And my braves hat
Turned backwards
Got you winkin' at me
Baby, it's your show
I'm drivers side
VIP, a front row
Keep turnin' it up
And turnin' me on
You're a rock star girl
I'm singin' along
It's like you know what you're doing to me
Every time you press play
Yeah, you've got me fallin' in love
My little Chevrolet DJNights like these
Are made off the highway
Stealin' kisses as another song fades
Wakin' up
Callin' you up tomorrow
Sayin', baby, hit replay
I'm already missin' your faceWith your ray ban sunglasses
And my braves hat
Turned backwards
Got you winkin' at me
Baby, it's your show
I'm drivers side
VIP, a front row

Keep turnin' it up
And turnin' me on
You're a rock star girl
I'm singin' along
It's like you know what you're doing to me
Every time you press play
Yeah, you've got me fallin' in love
My little Chevrolet DJWith your ray ban sunglasses
And my braves hat
Turned backwards
Got you winkin' at me
Baby, it's your show
I'm drivers side
VIP, singin', wooh
Keep turnin' it up
And turnin' me on
You're a rock star girl
I'm singin' along
It's like you know what you're doing to me
Every time you press play
Yeah, you know what you're doing to me
Every time you press play
Oh, you've got me fallin' in love
My little Chevrolet DJUh huh, keep me fallin', girl
Every time you press play
