

Them Girls

Auryn

Got a body like Coca-Cola
bright eyes like a supernova
I'm just trying to be a casanova
I just wanna get-get below ya
What the hell am I supposed to do?
Gotta see it from my point of view
god bless, I confess that the heart on my chest is a mess
so when I see a honey rockin' a dress...They look good but they actin' bad
playin' with all my attention span
yeah, the wear slips like an hourglass
and my god, have you seen that... face?
And I can keep goin' on and on
baby, just gotta have 'em all
not one, not two, I need more than a few
call me rude but I just need a little somethin' to do.
Them girls! Them girls!
How I, how I love them girls!
Them girls! Them girls!
How I, I love to see them twirl
cuz there ain't nothing I love more
than pyst out on the floor
Them girls! Them girls!
How I, how I love them (girls).Taste good like sweet molasses
so sweet but I gotta have it
Them girls like a-black magic
gotta love 'em when they shake those... hips
no matter what I try to do
they got me stuck like superglue
god bless, I confess that the heart on my chest is a mess.
So when I see a honey rockin' a dress...
Them girls! Them girls!
How I, how I love them girls!
Them girls! Them girls!
How I, I love to see them twirl
cuz there ain't nothing I love more
than pyst out on the floor
Them girls! Them girls!
How I, how I lovew them (girls).Them girls! Them girls!
How I love them girls

Them girls! Them girls!
How I love them girls, them girls, them girls, them girls...
