

Will Is My Friend

Devendra Banhart

One, two, three, four Will is my friend
Will sings like John
Goin' back to California Will is the West Coast with me
Will is a past is a plenty
Will is a blue friend of mine
With whom I spend a whole lot of my time The lemon tree it laughs at me
It's growin' beautifully
The little veins it would unwind
And it'll wrap your whole in time Now let's have a glass of wine
Now let's have another glass of wine This is the water in which we wade
This is our father, this is how he strayed
This is the wind and this is the breeze, Will Will is my friend
Will sings like John
Goin' back to California
