I Need Feedback

Swingin' Utters

10 AM yeah I just woke up
I can't clear my head
Drank too much last night again
I might as well be dead
Well I'm just fuckin' lazy
My whole life's makin' me crazy
But I wouldn't give any of it
Up even if you paid me
We all get in my car turn up
The stereo
Gotta goto the Trocadero see
Another fuckin' showWell I'm just fuckin' lazy
My whole life's making me crazy
But I wouldn't give any of it
Up even if you paid me'Cause all I want is feedback
Yeah all I need is feedback
All my time is poorly spent
But it's all I can do
To make it throughI guess it's all right
Staying at home
Being with my friends
But the only time I feel all right
Is when I on stage again'Cause I'm so fucking lazy
And everybody's makin' me crazy
And I should've givin it all up
'Cause they're never gonna pay meSo all I want is feedback
Yeah all I need is feedback
All my time is so well spent
And it's all I can do
Yeah it's all I ever do
To make it through
