

# Change of Heart (Live Acoustic)

## Fish

Maybe it's you or maybe it's me, maybe it's just the weather.

I just can't decide I can't make up my mind,  
tomorrow seems like forever.

(Chorus):

It's just a change of heart that's all it is,  
It's just a change of heart that's all it is,  
I'm just falling apart, as a matter of fact that is all it is,  
That's all it is, that's all it is. Just a change of heart  
That's all it is.

Maybe it's time, it's maybe too late, I just can't believe it's over,  
If you just walk away, turn your back on me now,  
tomorrow will be forever.

(Chorus):

As the springtides shift the sands swelled by winter snow,  
and the summer green melts to autumn gold.  
I'm a man for every season but I live from day to day  
Is that what you want? Is that all you want?  
Is that all it is?

(Chorus):

At the end of the day please let me stay you know we belong together  
I'll promise you now as I promised you then,  
tomorrow will be forever
