Ever Fallen In Love

Bride

She drives me crazy, makes me belong
I can't take it no more
She gives her best, she gives her all
She picks me up when I fallShe's got a good thing, she's got a special way
She's there when I need her the most
She's really doing fine, she's got a heart to give
She puts me together againEver fallen in love, I have
Ever fallen in love, I amShe tells me she's all min, knows how much I need her
I'm blessed to have these feelings again
She makes me the man I am, she's the one I believe in
She holds a key to my heartEver fallen in love, I have
Ever fallen in love, I amLove bears all things, believes all things
Hopes all things, endures all things
Love is patient, love is kind
Love is forgiving, love is blind
