The Flame of Love

Johnny Mathis

The flame of love is burning low
And soon the flame will die
And then, my love, the time will come
To kiss and say "Goodbye"
The flame burned bright and oh, so fast
It never had a chance to last
But let there be no tears for us
Let's keep the mem'ry of
The warm excitement when we met
And lit the flame of love
The flame burned bright and oh, so fast
It never had a chance to last
But let there be no tears for us
Let's keep the mem'ry of
The warm excitement when we met
And lit the flame of love
The flame of love the flame of love
