Killing Me Again

Big Daddy Weave

Sneakin' 'round after midnight
There's no one there to see me
Participating on the wrong side
Then I hear a voice in my mindWhen I see you running away
It makes me wanna cry
When I see you
Reminding me of the day I had to die
Don't you know that in My heart I still can feel the pain
Cause when I see you it's like killing Me again
A Holy King is returning
It could be any time
He's coming back for a spotless bride
Not for those who've got something they're trying to hide
