

# It's Not Too Late

## Skankin' Pickle

You can write a book, song or poem or paint a picture  
Move away from mom, getting used to new fixtures  
It's not too late, it's not too late  
It's never, never too late  
Catch a fish, fly a kite, protest nuclear reactors  
Start working daily like an actor  
It's not too late
