Canna-Business

Testament

Now that the government have woken up and cleared their eyes
They're getting tolerant for medicine that's growing wildCanna-business is away of life
Healing the sick while all the rest get high
Canna-business is living for the dream
Stoned world order is bringing in the greenNow that society is smoking up what's legalized
America profiting 'cause cannabis is not a crimeCanna-business is a sign of the times
Changing the law so the sick remain alive
Canna-business, let the truth be told
Hybrid medicine, waiting to be rolledNow that society is smoking up what's legalized
America profiting 'cause cannabis is not a crimeGrown from the earth, we plant the money tree
For all it's worth, let canna-business set you free(Smoke 'em if you got 'em)(A stoned world order)
