Anarchy In the U.K.

Green Jelly

Anarchy in Bedrock, twitch twitch
One, two, three, fourRight now, ha ha ha
I am an Antichrist, I am an anarchist
Know what I want, but know how to get it
Want to destroy, Mr. Slate'Cause I wanna be Fred FlintstoneAnarchy in Bedrock
Stop it sometime it makes Betty and Wilma
Try some flint upside down and rubble bubble
Or you can just try fruity pebbles'Cause I wanna be Fred FlintstoneIn Bedrock, it's the only way to be
Many ways to get what you want
I use ministry, I use Barny Rubbles
I use anarchy'Cause I wanna be, Fred Flintstone, ya ba da ba doo!Is this the USPA ?
Is this Hollywood ?
Is this Bedrock ?
I thought it was Hollyrock'Cause I wanna be Fred FlintstoneAnd I wanna be Fred Flintstone
And I wanna be Fred Flintstone
Wilma
