

# Left in the Dark

## Jim Steinman

Where did he touch you and how did it feel?  
And why did you let it begin?  
What did he whisper and when did you cry  
And where do you think it will end? How long did you do it and why did you stop?  
Did you get to try anything new?  
How good was he, honestly? where did you go?  
And who made the very first move? You don't have to sneak in the door  
Just come on into the room  
I've been lying in our bed in the dark all alone  
And I've been waiting, I've been waiting for you There's been no reason to move  
It's been as still as a tomb  
I needed you, oh, so badly tonight  
But I guess you had better things to do  
I should have known that it was coming to this  
But I must have been blind  
I bet you still got a trace of his love in your eyes  
And you still got his eyes on your mind You swore you'd be with me a seven o'clock  
Now it's a quarter to three  
And whatever you got and whoever it was  
I guess you couldn't get it from me  
Whatever you got and whoever it was  
I guess you couldn't get it from me I know that you love me, there's no need to talk  
I see the look in your eyes and I got the proof  
And there are no lies on your body  
So take off your dress, I just want to get at the truth I know that you love me, there's no need to talk  
I see the look in your eyes and I got the proof  
And there are no lies on your body  
So take off your dress, I just want to get at the truth  
There are so many things that I've just got to know  
You tell me, who? You tell me, where? You tell me, when?  
But don't tell me now  
I don't need any answers tonight I just need some love so turn out the lights  
And I'll be left in the dark again  
I just need some love so turn out the lights  
And I'll be left in the dark again I just need some love so turn out the lights  
And I'll be left in the dark again  
I just need some love so turn out the lights  
And I'll be left in the dark again, left in the dark again I should have known that it was coming to this  
But I must have been blind

I bet you still got a trace of his love in your eyes  
And you still got his eyes on your mind You swore you'd be with me a seven o'clock  
Now it's a quarter to three  
And whatever you got and whoever it was  
I guess you couldn't get it from me  
I guess you couldn't get it from me Down in my soul, down in my soul, I know I know that you love me, there's no need to talk  
I see the look in your eyes and I got the proof  
And there are no lies on your body  
So take off your dress, I just want to get at the truth There are so many things that I've just got to know  
You tell me, who? You tell me, where? You tell me, when?  
But don't tell me now  
I don't need any answers tonight I just need some love so turn out the lights  
And I'll be left in the dark again  
I just need some love so turn out the lights  
And I'll be left in the dark again I just need some love so turn out the lights  
And I'll be left in the dark again  
I just need some love so turn out the lights  
And I'll be left in the dark again I just need some love so turn out the lights  
And I'll be left in the dark again  
I just need some love so turn out the lights  
And I'll be left in the dark again Left in the dark again Did he ever get rough? Did you ever get tender?  
Did it leave any scars? Do you expect them to heal?  
What did he look like? Did he remind you of me?  
Were you willing to beg or to kneel? Did he keep his eyes open? Did you bother to look?  
Or was he only a kid after all?  
Where did he touch you and how did it feel?  
If you need him again, will he still be on call? And who made the very first move?  
Who made the very first move?  
Who made the very first move?
