Inane

Kmfdm

Chew it all up - Turn it around - Give the meaning a twist - Spit it back out
Repulsive - Corrosive - Enticing - Confusing - Abusive - Elusive - Provoking
Amusing - Mangled and ground - Decomposed and destroyed - Whatever was found
We invented the sound
Prepared to order - Cooked to perfection - According to taste - No dissatisfaction
German engineering - Astounding ingenuity - Over a decade of conceptual continuity
KMFDM - A constant intrusion - It poisons your blood - You need an infusion
Like everything else it's completely inane
Profoundly profane and it drives me insane
KMFDM - What do you know - Don't blow your top now, here we go!
KMFDM - What's the deal
You're so naive, come on get real!

KMFDM - For what your money can buy
Leave your angst behind and fly sky-high!
KMFDM - Make your choice
Celebrate chaos - Get into the noise!
KMFDM - Nihilistic and free
UAIOE for you and me
Help us, save us, take us away
KMFDM - Make my day
KMFDM - What's the story
Sex on the flag, split and glory
KMFDM can't suck hard enough
Have a little more - You just love that stuff
