(You're Gonna) Hurt Yourself

Frankie Valli

I love you just you, it's true (baby, it's true)
But how much more do you need to be satisfied
Than I can give the way you live (baby, can give)
You cheat all over, a rover you are
Makes me tell you oh[Chorus]
You know you're gonna hurt yourself (hey)
You know you're gonna hurt yourself
When you're broke and worn out
When your heart is torn out1, 2 Don't 3, oh call me
1, 2 Don't call me
I love you to codaIt can't wait 'til it's too late (baby, it's true)
If you want my love, take my love, but don't go shoppin'
'Round the town 'til you have found (baby, can give)
The guy you needed was me all along
Baby, baby, oh[Chorus]Instrumental break (as per last three lines of verse][Chorus](Girl, yeah know you're
gonna hurt yourself, hey)
Girl, don't hurt yourself
(Girl, yeah know you're gonna hurt yourself, hey)
Come on now, girl
(Girl, yeah know you're gonna hurt yourself, hey)
You know you're gonna hurt yourself
(Girl, yeah know you're gonna hurt yourself, hey)
Come on girl
