

Hot

Black Eyed Peas

It's so amazing when a show is captivatin'
Gettin' everybody jumpin' and celebratin'
Only one's own musically be overlayin'
Connecting energy circulatin' inspiration Together movin' in a synchronized formation
And if you're feelin' down, this is survival from depression
You see the lesson is we're rhymin' for our mission
Abolish circumstance transmitting from a piston Taking what I can but keeping peace in moderation
Ap is like an eagle with the alligator patience
Ready to attack any mic that I am facin'
No limitation where I'm takin' my creation 'cuz We got, we got, we got it like that
We got, we got, we got it like that
We got, we got, we got it like that
We got, we got, we got it like that You're so amazing, you're so hot and so blazing
You're hot, hot, hot, c'mon stop, hot, hot, hot, c'mon now
You're so amazing, you're so hot and so blazing
You're hot, hot, hot, ooh wee, hot, hot, hot, c'mon now I'm more than ready to slice like machete
Leave ya like confetti, break hearts like Tom Petty
Are you ready? 'Cuz I am every metaphor
You are nearly ready for, the media predator 'Cuz I'll bust in your session and kick my own raps, yes
Grab the microphone and show you where the forms at here
Tell your girl adapts 'cuz the rhyme contact
And she easily attracted to it just like that It's like this 'cuz the way we capitvatin'

Boy don't fret everything's aight

We gonna fall on up when Luis in flight Yo, fuck the rhyme tryin' we on poetic control
Nevermind the behind and step ahead of your soul
And move on to the next with the words we bless
'Cuz Black Eyed Peas is comin' hotter than sex We're writin', rhyming, makin' the beats
Okay, hip-hop blazers bringin' the heat
Motivate cut cut and scratch the groove
Elevate then make them powerful moves How amazin' is it?
