My Reasons Why

Blaze Foley

If I could take my reasons why
And make them sound to you
Like they seem to be
When I am feeling strong...
If I could have a wish come true,
I'd bring it home to you.
How I ache to get my feet
Back on the ground.

When I come home to you again,
Can I hold you in my arms?
Will I have a place beside you then
Or will my place be gone?
If only we could read between
The lines that we have drawn.
We'd find each other waiting helplessly.
I only hope that time will last
And this won't take too long,
And we find each other waiting patiently.
