Jennifer Lopez

Na-na-na-na-na-na na-na-na-eh  
Na-na-na-na-na-na na-na-na-eh (uh)  
Na-na-na-na-na-na na-na-na-eh (yes)  
Na-na-na-na-na-na na-na-na-ehHi, I'm Tune, the man on the moon  
I live on the beach, get the sand out ya shoes  
And all of that change since I met you  
So we can leave that old shit in the restroom  
Young Money! You got me and I could not defend it  
I tried but I had to surrender  
Your style got me under the spell now  
Left me no other choice but to get downIt's too late (it's too late), it's too late (it's too late)  
It's too late (uh), it's too late (tell 'em)  
You got it (you got it), you got it (you got it)  
You got it (you got it), you got it (uh)When I look into your eyes, it's over  
You got me hooked with your love controller (yeah)  
I'm trippin' and I could not get over  
I feel lucky like a four leaf cloverI'm into you, I'm into you  
I'm into you, yeaahh (come on)  
I'm into you (I'm into you), I'm into you (I'm into you)  
I'm into you, yeaahh (uh)Na-na-na-na-na-na na-na-na-eh (ey)  
Na-na-na-na-na-na na-na-na-eh (yeah)  
Na-na-na-na-na-na na-na-na-eh (ey)  
Na-na-na-na-na-na na-na-na-ehListen, now I'm strong baby I bring the fire on  
Sharp shooter, you can call me the Zion  
I'm not the one easy to get to  
But all that changed, baby when I met youIt's too late (it's too late), it's too late (it's too late)  
It's too late (it's too late), it's too late (come on)  
You got it (you got it), you got it (you got it)  
You got it (you got it), you got it (yeah)When I look into your eyes, it's over  
You got me hooked with your love controller  
I'm trippin' and I could not get over  
I feel lucky like a four leaf clover (why?)I'm into you (I'm into you), I'm into you (I'm into you)  
I'm into you, yeaahh  
I'm into you (I'm into you), I'm into you (haaaa)  
I'm into you, yeaahhOkay now I'm into you, like you never knew  
I'm falling for ya baby, I need a parachute  
Pussy so wet, I need a wet suit  
You're way too fly, I could be your jet fuel  
Now tell me what you like, I like what you tell me

And if you understand me, then you can overwhelm me  
It's too late, it's too late  
Every finish line is the beginning of a new race, haaa  
When I look into your eyes, it's over (yeah)  
You got me hooked with your love controller  
I'm trippin' and I could not get over  
I feel lucky like a four leaf clover (come on)  
I'm into you (I'm into you), I'm into you (I'm into you)  
I'm into you, yeaaaah (I'm into you babyyy)  
I'm into you (I'm into you), I'm into you (I'm into you)  
I'm into you, yeaaaah  
Na-na-na-na-na-na na-na-na-eh (yeah)  
Na-na-na-na-na-na na-na-na-eh (ey)  
Na-na-na-na-na-na na-na-na-eh (yeah)  
I'm into you (I'm into you), I'm into you (I'm into you)  
I'm into you, yeaaaah (I'm into you babyyy)  
I'm into you (I'm into you), I'm into you (I'm into you)
