Mind Over Matter

K-Otix

Mind over matter
Does it matter to any of us?
Don't change the subject
I'm heavy on your love
I missed that train, New York city - it rains!
Fly to east L.A. in big jet planes
You know you're on my mindAnd if the world don't break
I'll be shakin' it
'Cause I'm a young man after all
And when the seasons change
Will you stand by me?
'Cause I'm a young man built to fallMind over matter,
I'm in tatters thinkin' about her
Taste my disaster
It's heavy on my tongue
All the lights aglow
Tokyo - snows
Go to watch the show
Curtain's closed!
I'm watching you this timeAnd if the world don't break
I'll be shakin' it
'Cause I'm a young man after all
And when the seasons change
Will you stand by me?
'Cause I'm a young man built to fall
I missed that train
New York city - it rains!
Fly to east L.A. in big jet planes
You know you're on my mind
All the lights aglow
Tokyo, sno-ooows
Go to watch the show, curtain's closed
I'm watching you this timeMind over matter
Mind over matter
You know you're on my mind!And if the world don't break
I'll be shakin' it
'Cause I'm a young man after all
And when the seasons change
Will you stand by me!

(Fly to east L.A.)
'Cause I'm a young man built to fall
And if the world don't break!
And when the seasons change, will you stand by me?
'Cause I'm a young man built to fall
