Looking At The Invisible Man

The Dead Weather

I'm the invisible man
I'm like a broke down engine
No skin on my bones at all
No skin on my bones at all
I got nothing, you can't hit me
Yeah, you're looking at me
Like you know what you're talking about
Ain't nothing to see
Wave your hands in the dark, woman
You're looking at me
Like you know what you're talking about
Ain't nothing to see, yeah, nothing
You can't hit me
I'm like a broke down engine
I'm the invisible man, I got
No skin on my bones at all
Yeah, you look like you know what you're talking about
Like you know what you're talking about
Like you know what you're talking about
There ain't nothing to see
There ain't nothing to see
You can't hit me, you can't hit me
I'm the invisible man
I'm like a newspaper
You can't read me
You think you know what you're talking about
What you're talking about
Yeah, you're looking at me
There ain't nothing to see
Wave your hands in the dark, woman
Yeah, you act like you know, like, like you know
Like you know, like you know, like you know, like you know
Like you know, like you know
Like you know what you're talking about
Like you know what you're talking about
Like you know
Like you know what you're talking about
Like you, like, like you, like
Like you know what you're talking about

Like you, like you know
